S I F A T U L I S L A M

An ambitious and hardworking individual. I enjoy working on my own initiative and in a team too. I am seeking to gain experiences and the necessary skills to excel in software development and research, and make an outstanding contribution in the field of technological innovation .

WORK EXPERIENCE

Sep 2018 - Feb 2019

[OBHAI](#) (a product of MGH group)

Android Developer

Development and debugging

- Segmentation and optimization of the huge pile of old codes
- Implement new design, and new features i.e: digital payment, Firebase notifications etc.
- Fixed most of the bugs which increased ride count by almost two times.
- <https://play.google.com/store/apps/details?id=com.obhai&hl=en>
